2023 Connecticut State Association Pistol Shooters at Camp Perry Ohio

This year, eleven Connecticut pistol shooters made it out to the 2023 CMP Championship hosted at Camp Perry, Ohio. The match was well run and a lot of shooters from across the country came and had a great time. The total number of pistol shooters this year was 301 competitors.

We had two Expert teams:

I have to say that the shooting conditions this year was nice, not too hot and not that windy. There were only two relays, 7:30 and 9:30, for our individual matches, and the team matches were scheduled for 1:30, but that never happened.

The shooting conditions for our team matches weren't that bad either.

We had four new team members make it out to Perry this year:
Jennifer Sloan
Joan Cianciolo
George Meschi
Mike Roy

If they shot on the first relay in .22, they had almost all the conditions that happen at Perry. Slow fire we had many gusts of wind. During the National match, we got poured on and for time and rapid the sun came out.

The second relay for the .22 phase only got to shoot part of their first slow fire.
They had to evacuate the line became a person on the lake fell overboard at night and the Coast Guards were searching for him.
Unfortunately, the ,22 match phase was cancelled.
There was one good thing that happened; at least we weren't inundated with those Mayflies.

The only hot and windy day was Tuesday for the warm up match.

Several of our shooters had some outstanding performances this year.

George Meschi made the President 100.
Greg Gardella received his Distinguished .22 badge at Perry.

Congratulations to all of our shooters.
